The 2025 Term 1 course is set to commence on **Saturday, 25th January**. This marks the beginning of the final term for Year 6 students, leading up to their selective school placement tests on 2 – 4 May.

Now is the moment for them to enhance their knowledge and abilities in readiness for these challenging tests. Considering the competitive nature of the tests, it is highly advisable for students to enrol in both our WEMT and STTC, ensuring a comprehensive review of all necessary knowledge and the development of essential test-taking strategies.

Year 6 WEMT Course

Year 6 WEMT course requires a significant commitment of weekly module work to help students build a solid foundation for the 2025 selective school placement test.

- **Strong foundation for the 2025 selective school exam:** Focus on key areas like writing, reading comprehension, mathematical reasoning and critical thinking.
- **Effective writing strategies:** Learn how to structure and organise your writing persuasively.
- **Mastering reading comprehension:** Develop techniques to tackle challenging texts and ace multiple-choice questions with confidence.
- **Mathematics made easy:** Gain a solid understanding of mathematical concepts, formulas, and problem-solving techniques.
- **Mind-stimulating thinking skills:** Challenge yourself with engaging exercises to enhance critical thinking and problem-solving abilities.

Choose the learning style that suits you best: We offer two flexible WEMT course options:

WEMT (Face-to-face learning): Learn directly from expert teachers in a dynamic classroom setting and access all Cyberschool resources.

WEMT (Live Zoom lesson): Join zoom lessons from the comfort of your home and access all Cyberschool resources – **conditions** apply.

Selective Trial Test Course (STTC)

Boost your child's confidence for the 2025 Selective School Exam with our STTC! This comprehensive program dives deep into the exam, familiarising students with the format, timing, and conditions they'll face on test day. Through weekly trial tests, they'll tackle a variety of question types and learn powerful strategies to succeed in the exam. The key benefits of STTC are:

- **Practice makes perfect:** Regular trial tests build confidence and familiarity with the exam format. The 2025 selective school exam will be the first to use

Thinking Skills for Selective (face-to-face)

The "Thinking Skills for Selective" Course is specially designed to foster the development of problem-solving and critical thinking abilities, equipping our students with the necessary skills for success in their academic journey and ultimately, for the selective school placement test.

With a comprehensive focus on preparing them for the thinking skills component, the course will cover a diverse array of essential topics.

Course Overview:

- The course aims to provide students with the tools and techniques to approach challenges with confidence and creativity.
- Through engaging activities and thought-provoking exercises, our dedicated teacher will guide the students on their path to becoming proficient critical thinkers.
- Students will learn effective problem-solving skills to tackle complex issues in various subjects.
- Students will be encouraged to analyse, evaluate, and draw reasoned conclusions from the information they encounter.
- As students develop their thinking skills, they will gain confidence in their abilities to excel academically.
- This course is open to students who will be sitting the 2025 selective school placement test. It will provide comprehensive coverage of essential topics to equip them with the necessary knowledge for the thinking skills component.

Year 6 Writing Course (Wednesday)

The aim of our Year 6 Writing course is to improve students' technical and imaginative writing skills. The course has a personalised approach to cater to each student's specific writing needs, which fosters confidence, competence, and expertise in writing.

This program will aid students in improving their writing skills for all written assignments at school, as well as writing exams for selective high school placement and independent school scholarship exams.

Emphasis will be placed on narrative, information report, poetry, diary, persuasive writing skills, including grammar, spelling, and punctuation, which are crucial components of the course curriculum.

This is your chance to:

- Express yourself with clarity and creativity.
- Impress teachers and examiners with your writing skills.
- Gain confidence in tackling any writing challenge.
- Have fun exploring the world of storytelling!
